BOOZE OR MEDICINE?
Which will you have? If a woman suffering from one of the delicate ailments peculiar to your sex it will be well for you to know that Dr. Pierce's Favorite Prescription is the only remedy advertised for such maladies which is absolutely free from intoxicating liquors and all other harmful agents. The good you feel from its use is not the delusive exhileration from a tippling beverage, from which the system reacts into a worse condition than before. It may be a little slower in manifesting its bracing and invigorating action, but its benefits are none the less positive and, best of all, they are *lasting*. It's an honest medicine—not a beverage.
"I have been taking your medicine for the last three weeks and can say I am gaining strength," writes Mrs. Soneth Kinney, of 08 East Madison Street, Mount Pleasant, Iowa. "I have been having very poor health all winter. I doctored with our family doctor but was relieved only while taking the medicine. I took Dr. Pierce's medicine several years ago. I knew it was good for any one suffering with female trouble. Have taken only one bottle and am gaining strength very fast. I could not eat nor sleep when I began taking the 'Favorite Prescription.' Heart troubled me and I had cold and numb spells till my heart would almost stop beating. Have had one child since first taking your medicine. If I continue with your treatment am positive I will be cured."
Every suffering woman in this land should write to Dr. Pierce and learn how certainly he can help her to health and strength. It costs nothing to write and receive entirely free the advice of one of the most experienced physicians in this country. His great thousand-page book the Common Sense Medical Adviser, in stiff paper covers, will be sent free for 21 one-cent stamps the bare cost of mailing; or, send 21 stamps for cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

Pierce's Pleasant Pellets
These ORIGINAL Little Liver Pills, first put up by old Dr. R. V. Pierce over 40 years ago, have been much imitated but never equaled. They're made of purely vegetable, concentrated and refined medicinal principles, extracted from native American roots and plants. They speedily relieve and cure foul, torpid and deranged Stomachs, Livers and Bowels and their attendant distressful ailments. One or two a laxative, three or four a cathartic.
Don't allow the dealer to insult your intelligence by offering his own remedy to you instead of this well-known preparation of Dr. Pierce.

The Yellow Fever Germ.

The yellow fever germ has recently been discovered. It bears a close resemblance to the malaria germ. To free the system from disease germs, the most effective remdey is Dr. King's New Life Pills. Guaranteed to cure all diseases due to malaria poison and cinstipation. 25c at Ryan"s Drug Store.

THE SHORT LINE LIMITED.

Will Be a Splendidly Equipped and Will Be Put on March 1st.

The Shore Line Limited, an elegant new accomodation train, will be put on March 1st between San Francisco and Los Angeles, leaving the latter city at 9 a. m. and arriving in San Francisco at 10:30 p. m. The south bound schedule will be the same. Stops will be made at Santa Barbara, San Luis Olispo, Paso Robles, Castroville, Pajaro and San Jose. The train will be splendidly equipped, with baggage, diner and three parlor cars, the last one of which will be a recessed observation car. One parlor car will run from Los Angeles to Del Monte and another from Del Monte to San Francisco. The same arrangement will be made on the south bound train. It is intended that this new service will be continued through March and April and as long thereafter as is justified. Stopover privileges will be allowed at the principal coast-line resorts.
This train will be additional to the regular coaster which will make far more stops to take care of the increasing local travel.
The new service is made necessary on account of the great influx of visitors caused by the tremendous Southern Pacific advertising in eastern magazines, in which $100,000 has been expended, and also to the great circulation of the Company's Sunset Magazine. The new train will be strictly a cash fare train.

WANTS TO MEET THE PEOPLE

Editor of Times-Gazette, Dear sir—Will you grant me space in your pape for a word to the public?

I deisreto be a factor in the general improvement and uplift of Redwood City. I can do nothing financially excepting in an indirect way, but possibly I can in a moral and spiritual way. Whatever goes into a community for moral and spiriutal needs ministers to its material good. Christainity is empire builder. But we need to know what christianityis. If it is not practical it is nothing. Jesus Christ spent his time among common people, who were in common toil, surrounded by common tmeptation. This is what the disciples of Christ should do today, and as a disciple, desire to get into contact with common people like myself. As it is now the custom of those who mostneed the help of my teacher and master our brother man, to attend church services, I must go where they are, if I do them much good. Two Sundays ago, at the Baptist church, I spoke on a subject of vital interest to the people of this community, but most of those I wanted to help werenot there. To these I now appeal. Will you come into conference with me on common ground, at any place? I would be glad to meet the men of the saloon at the saloon; the men of the tannery at the tannery during the noon hour; the men oftheshop in the shop, and all in their homes. Will you please speak to me of your needs—your objections to christianity, or write to me sincerely and fairly?

A PRIVATE RIGHT OF WAY.

The promoters of the Peninsula Electirc Rrailroad have abandoned the plan to make a detour to the foothills at Laurel Creek owing to a determined opposition which has manifested itself in certain influential quarters. Instead of going in the indicated direction the road will leave San Mateo at the Southern Pacific depot and will proceed south, paralleling the steam railroad as far as San Carlos. What the route from there will be has not yet been determined upon. It is known that all rights of way as far as Belmont have been purchased and it is believed that the company will secure its own right of way through the county.

Geo. C. Ross, attorney for Albert Eikerenkotter superintendent of the county farm against who charges of irregularities had been made by the recent Grand Jury, appeared before the Board. He said he and his client were ready to proceed with the hearing as soon as possible. His client was anxious to have the matter heard. A doubt arose in the minds of some of the members if the Board had jurisdiction inasmuch as Mr. Eikerenkotter had been indicted by the Grand Jury for prejury for which he would be brought to trial in the Superior Court. Mr. Bullock, the district attorney, was called upon for an opinion, but as that officer was to prosecute the case he declined to give an opinion. After considerable discussion April 3 was the day set for hearing the evidence. The clerk was instructed to issue subpoenas for witnesses and to have thm present at the hearing.

The affidavit of D. E. O'Keefe showing that due and legal notice had been given in the publication of Ordinance No. 202 was read Chairman Coleman declared the legal notice had been given.

Representatives of the two firms whose bids the Board had in consideration were permitted to make their final talks before the Board. The wto firms referred to were the Crocker Company and the Art Metal Furniture Compay of San Francisco.

After considerable discussion MacBain rose and said that while he thou his motion would be turned down he would bring the matter squarely before the Board. He moved that the Art Metal Construction Company be awarded the contract. The motion failed of a second and was lost. The bid of the Crocker Company was $25,536.84 and that of the Art Metal Construction Company $20,246.21. The members refusing to take action the matter was referred to the next ing of the Board.

On motion of Coburn seconded by Debenedetti the linoleum contract was next taken up and disposed of by accepting the bid of W. & J. Sloane to furnish 1750 yards, more or less, of Double X Battleship linoleum at $1.42-1/2 per yard.

CITY COUNCIL.

Geo. C. Ross appeared before the city council Monday evening and presented a deed from Mrs. Finger and the Redwood City Realty Comapny and same was accepted on motion of Walker.

Mr. Ross explained that the Redwood City Realty Company was about to improve Wellesley Park and had secured a deed from the counyt road to the Finger's home. The company had added 30 feet of itsown property to this driveway making an avenue of 50 feet wide which will extend as far as the old picnic grounds when it will intersect one of the Park avenues. At the Finger home the drive opens into a circular plot which is intended to plant in grass and shrubbery.

Mr. Ross also stated that at the next meeting he would presnet a map of Wellesley Parkand the streets delineated thereon would be dedicated to public use. He said the company would shortly sewer the tract, lay water mains and macadamize the streets and put in curbs.

Engineer Gilbert presented drawings and specifications for macadamizing Chestnut street from the railroad north to Hilton avenue.

The allgeed faulty electric wiring mentioned by the San Francisco Fire Underwriters caused a lengthy discussion.

Geo. W. Lovie suggested that instead of employing an inspector to oversee such work the electricians should be compelled to file a bond to do good work.

Chas. O. Foster stated that he was familiar with the rules lately adopted by the Underwriters and would rewire the city's property in accordance therewith. It was decided to call for bids for the job.

Street Superintendent Dickey was directed to make sewer connection with the new house of Chas. Eckhart in the Hooper tract.

A. D. Walsh Guarantees Hyomei to Cure Catarrh or it Costs Nothing.

In view of the prevalence of catarrhal troubles at this season of the year, I want to tell your readers that I never sold anything that gave more satisfaction than Hyomei, when used in catarrhal troubles. You get immediate relief from the treatment, and consistent use will prove to every sufferer, as it has to many of our customers, the virtue of this preparation.

Personally I am interested in Hyomei, for it is made and sold on honor; and I do not want your money unless you are benefitted and satisfied.

There is no stomach dosing in connection with Hyomei. It is a thoroughly local treatment for a local disease, and its soothing, healing medication goes direct to the spot where it is needed.

The complete Hyomei outfit consists of a pocket inhaler, a medicine dropper, and bottle of Hyomei, and the price is only $1, while additional bottles can be obtained for 50 cents.

I positively guarantee a cure when Hyomei is used in accordance with directions, or I will refund your money. This certainly shows my faith and belief in the virtues of Hyomei.

Yours very truly,

EIGHT REASONS WHY YOU SHOULD OWN THIS WORK

FIRST—It is the **most modern** Encyclopedia in the English language.

SECOND—It is the **only great Encyclopedia** that is issued in handy volumes (5x8 inches, weighing 2 pounds each). There is no possible reason for publishing Encyclopedias in great bulky volumes, weighing from 6 to 8 pounds, as is the case with all the older Encyclopedias. This work is issued in the most convenient size, each volume being light enough to hold in the hand during consultation.

THIRD—It includes within its one alphabetical arrangement not only an **exhaustive Encyclopedia** of universal knowledge, but also an **unabridged dictionary** of the English language.

FOURTH—The introduction of derivation and pronunciation, neither of which has heretofore been given by any Encyclopedia. The value of this feature and the modern character of this work will be easily appreciated.

FIFTH—It covers a far **greater range of topics than is covered by all other Encyclopedias**, each topic being systematically subdivided, thus facilitating consultation, and an extended scheme of cross-references being added, assures the satisfactory development of such topics as may be sought.

SIXTH—This work is absolutely **free from partisanship** and sectarian bias.

SEVENTH—Following the dissertations of important topics are given extended bibliographies by which the reader may enlarge his course of reading if so inclined. The biographies of authors are given, also precise records of the work they have published.

EIGHTH—Aside from the **7000 line drawings**, which are inserted as an aid to the text, there are scores of **full-page portraits** of the greatest men of history.

Former Prices Prohibitive

Heretofore the best Encyclopedias have been put on the market at abnormally high figures, ranging from $80 to $120—prices which only the very rich could afford to pay. In order to overcome this obstacle, the Pacific Newspaper Union has made arrangements with the publishers of the **New Imperial Encyclopedia** for an entire edition of that splendid work, which will be distributed to the public at about the **actual cost of manufacture** and on terms within the reach of every income.

Direct From Binder to You
The Co-operative Plan

In entering upon this great educational enterprise, the Pacific Newspaper Union acts as a purchasing agent, representing both the publishers and the public. On account of our immense purchasing and distributing powers, we are able to guarantee the sale of a very large edition. The plan is to distribute it by means of a **great Co-operative Club**, which will entirely **eliminate all middle profits.** Complete sets are shipped direct from the binders to purchasers. As a result of this great saving, those who join the Club are able to secure this newest and best reference library at a **price heretofore unheard of in the annals of publishing.**

What It Means To You

The possession of this great Encyclopedia means a great deal to you and your family. It is the **most important set of books you could possibly purchase,** as it gives you complete and definite information on every subject—history, science, geography, politics, religion, commerce, philosophy, etc.—**written in words that all can understand.** Any one can get a liberal education out of a good Encyclopedia.

For the children it answers every question that comes into their inquiring minds; for older people, it serves as a complete home university, supplying the latest and most authorative information on every subject.

Not Hard to Read

THE NEW IMPERIAL ENCYCLOPEDIA differs from other reference works previously published in that its articles are **not technical,** or hard to read, but are written in a **simple, clear and interesting** manner. The aim of the editors was to eliminate so far as possible, all minute details and weighty opinions, giving all the facts, but the facts only. The advantage of such a work is that it **will be read and enjoyed by every member of the family.**

HOW TO GET A SET

It is impossible in this limited space to describe the plans and purposes of the Club and the plan of sale whereby members may have the complete Encyclopedia delivered to them at once, and pay for it at the rate of a few cents a day. If you are interested, write to-day for full particulars. Do not put it off until to-morrow; to-morrow may be too late. Only one edition has been contracted for, and when it has been distributed no more applications will be received. This Club was organized for your benefit. No one will be to blame but yourself if you do not get an Encyclopedia now while the opportunity is here. Tear off the coupon and mail it to us to-day. An opportunity like this may never occur again in your lifetime.

NEW CENTRAL THEATRE

San Francisco.

Next week the popular stock company of the Central will return to pure comedy, frolic and fun, with just enough sprinkling of the melodrama to hold the interest. The play will be the widely heralded comedy drama, by Charles Blaney, "My Tom-Boy Girl." Miss Georgie Cooper, everybody's favorite, will play the title role, and in it will have one of those glove-fitting parts in which she so thoroughly is at home and fairly revels in. The story opens in New York and from that busy city takes its principal characters to sunny Virginia, where the plot fairly seethes and boils with fast and furious fun, thrilling situations and heart interest. The entire company have congenial roles and a finished performance is promised. There will be plenty of singing and original specialties introduced through out the action of the play, and realastic scenery has been specially prepared for the production. The popular family matinees will be continued Saturday and Sunday. The dramatic novelty, "The House of Mystery," that is creating so much talk in the east, will be the following attraction.

THE MAJESTIC,

San Francisco

The next production at the Majestic Theatre will be the Military Comedy-Drama "The Bold Soldier Boy" formerly played with great success by Andrew Mack. The last performance of "The Proud Prince" will be given this Saturday and Sunday afternoons and nights and on Monday night the new play will be welcomed by a good house for our public always loves a good military play.

In "A Bold Sojer Boy" the leading part is that of a young Irishman serving under the "Stars and Stripes" This role, Lieut. Adair, is assumed by the handsome young actor Donald Bowles and he will certainly make a fine looking officer. The always popular Frank Bacon will play the part of a Chinese servant and Elsie Esmond, Mina Crolius Gleason, Margaret Maclyn, John O'Hara, L. R. Stockwell, John Ravold, Chas. Inslee and George Bloomquest will all have congenial parts.

The scene of the play is laid at Fort Wadsworth, Staten Island. There are a lot of fine comedy scenes in the play and these are interwoven with some very dramatic incidents and a charming love story, and the result is a splendid play of the popular interesting type that will send an audience hime in the best humor.

Following this production Manager Bishop will offer one of the prettiest and most charming of American comedies. It is called "A Virginia Courtship" and is aromantic story of the south in the good old colonial days.

The Thursday and Sunday "Pop" matinees are drawing immense houses at this popular play house and those who wish to enjoy a fine performance at genuine bargain prices should secure their seats for these "Pop" matinees well in advance.
